Chris Wesielski is honored to be included as one of the top five employment lawyers by OC Metro for the fifth year in a row. He still loves to practice law even after 30 years. He is regularly asked to speak to audiences about trial techniques and legal ethics. He recently published five articles in the employment area. In 2011, after winning a difficult jury trial, he earned a Top 20 Defense Verdict by the Daily Journal. In 2012, the Daily Journal named him one of the Top 75 Employment Attorneys in California. That same year, he obtained a defense verdict in an employment case on behalf of a large public entity.

As he puts it, "I handle each case with the same passion as if the client was one of my close relatives." Because of that passion and success, he is one of only six lawyers selected to the International Society of Barristers in Orange County, an honor society of outstanding trial lawyers chosen by their fellow peers based on accomplishments and integrity in advocacy. He was recently selected as AV Preeminent by Martindale-Hubbell. He has also been selected as a Super Lawyer for the past eight consecutive years. He is also the incoming President (in a year) for Orange County ABOTA.

Chris really is the best of the best - a true professional in every sense of the word. Bottom line - I feel privileged to have had him on our side and I really hope we get the chance to work together again."
